\$46,950

RENT-TO-OWN PROGRAM FREEDOM TO CHOOSE

With Golfln, you can either purchase your simulators outright or take advantage of our 5-year rent-to-own program, which allows you to allocate a portion of the rental payments toward the purchase of the simulators. Each year, you have three options: continue financing your simulators, pay the balance to own them, or cancel the rent-to-own program with no penalty.

* Each year, at contract signature date.

2 RESERVATIONS

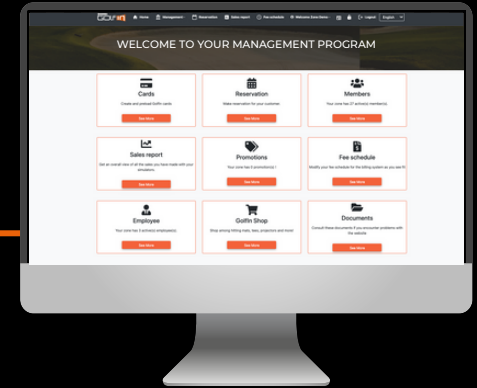

A user-friendly reservation system allows clients to book online. The system is connected to the simulators, giving you full control over the revenues. Once reserved, the simulators remain locked until the system confirms the guests' arrival, and the billable time commences upon the first swing.

Red: the simulator is reserved but locked. **Blue:** the sim is unlocked for customer set-up time. **Green:** the first swing kicks starts the billable time.

3 PROMOTION MANAGEMENT

Streamline the management of different customizable promotions and pricing rules from one convenient dashboard.

5 PREPAID CARDS

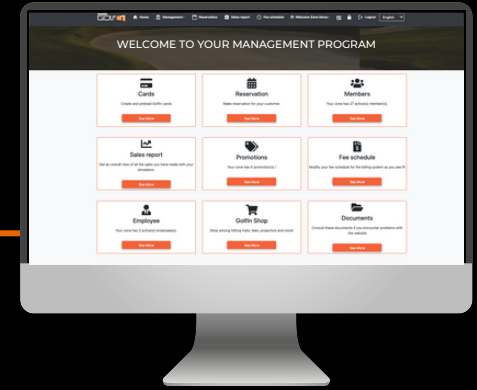

Boost your revenue and enhance customer loyalty with our prepaid cards, gift card creation and management tool.

A screenshot of the Zone Golf management interface. The background is a dark image of a golf course with the text "WELCOME TO ZONE GOLFIN" and "This site offers several features to help you manage your Zone Golfin. Create a prepaid card for your members,". A white modal form titled "New card" is overlaid in the center. The modal has a "CARDS" tab and a "SCAN EMPLOYEE CARD" button. It contains input fields for "Card number", "Amount" (set to \$0.00), "Amount paid" (set to \$0.00), and "Full Name". At the bottom of the modal are "CANCEL" and "CREATE" buttons. The background dashboard has six cards: "Cards" (Create and preload Golfn cards), "Members" (Your zone has 27 active(s) member(s)), "Sales report" (Get an overall view of all the sales you have made with your simulators), "Promotions" (Your zone has 0 promotion(s) !), "Fee schedule" (Modify your fee schedule for the billing system as you see fit), and "Documents". Each card has a "See More" button.

6 EMPLOYEE MANAGEMENT

Manage your employees directly from the platform and adjust access levels for various system options. Track who completed the transactions for different guests.
